Supplemental Type Certificate

Number SA3494WE

This certificate, issued to Weber Aircraft

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 25 of the Federal Aviation Regulations. (Certification Basis is stated in T.C. Data Sheet A20WE)

Original Product — Type Certificate Number: A20WE

Make: Boeing

Model: 747-121

Description of Type Design Change: Installation of Weber Aircraft Auxiliary Galley, P/N 822767, in accordance with FAA sealed Weber Aircraft Drawing List No. SK 15011, Revision dated 9-16-77 or later sealed revision.

Limitations and Conditions: Approval of Type Design Change applies only to Boeing 747-121 airplanes modified per Boeing Service Bulletin 747-53-2170 dated 9-9-77. Maximum Galley Gross Weight Restricted to 1010 lbs. The approval of this change in type design applies basically to Boeing 747-121 only. This approval should not be extended to other aircraft of this model on which other previously approved modifications are incorporated unless it is determined by the installer that the interrelationship between this change and any of those other previously approved modifications will introduce no adverse effect upon the airworthiness of that aircraft. This determination should include consideration of significant changes in weight distribution such as an increase in the fixed disposable weight in the fuselage.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked, or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.
